MEESTERLIJK JENS

Print de kwartetkaarten uit op stevig papier (evt. met achterkant – zie laatste pagina),
lamineer ze en knip ze uit.

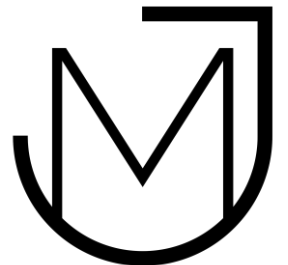

Dit kwartetspel is ideaal voor leerlingen die nog niet kunnen lezen. Ze gaan op zoek naar 4
kaartjes met attributen die horen bij één soort beroep.

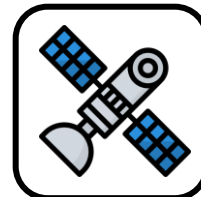

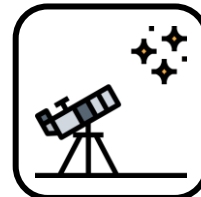

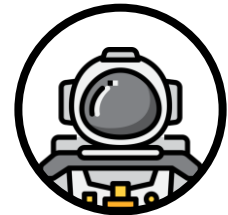

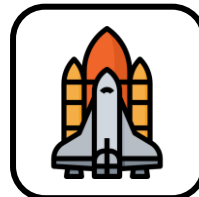

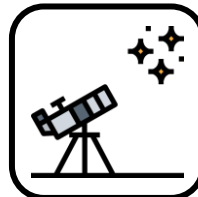

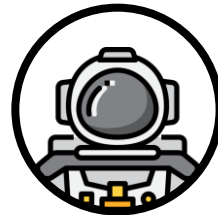

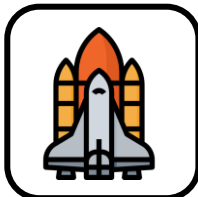

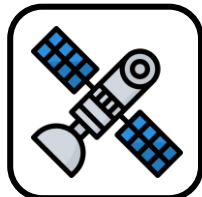

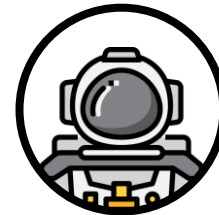

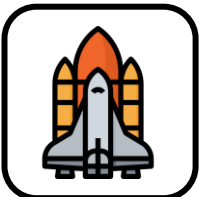

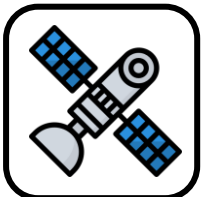

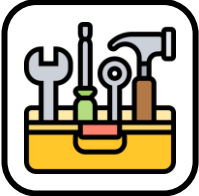

Bijvoorbeeld bij de politie zoeken de leerlingen naar:

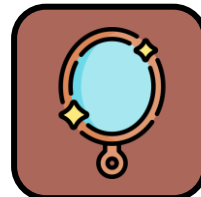

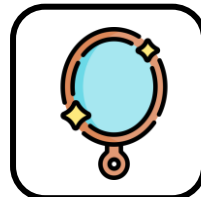

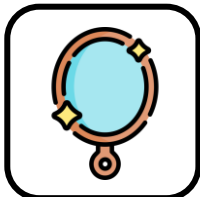

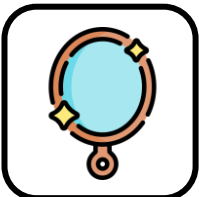

- Politiepet
- Handboeien
- Sirene
- Gevangenis

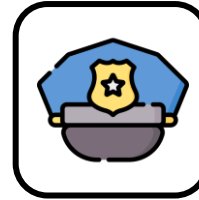

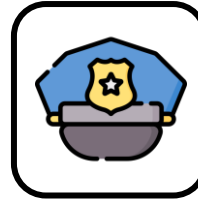

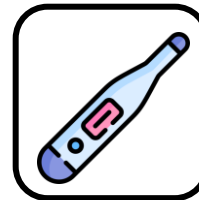

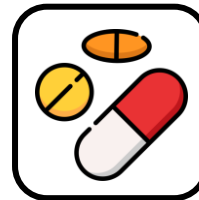

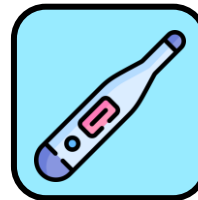

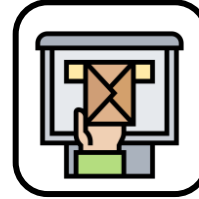

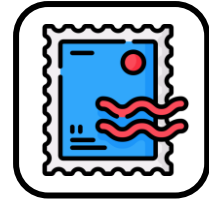

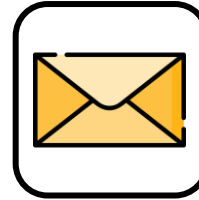

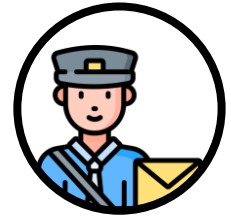

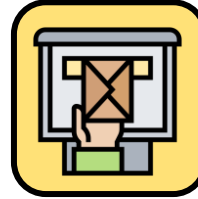

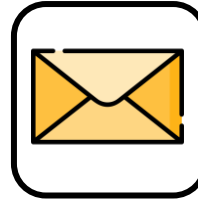

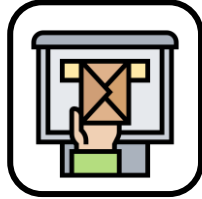

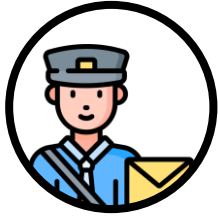

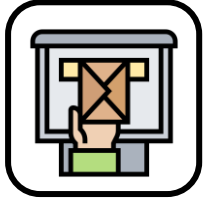

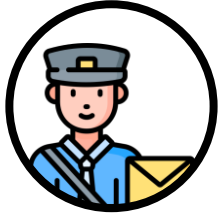

Bespreek van te voren de afbeeldingen op de kaartjes, hiermee vergroot je tevens de
woordenschat van de leerlingen omtrent beroepen.
